# Q1 Reading Expectation

## Working Together

Adapted from Wonders Progress Monitoring Assessments

- 1 Ollie and Jada were fairies, and they were best friends, too. It was late summer, and fall was coming soon. Ollie and Jada had a big job. They had to change the color of the leaves for fall.
- 2 They were each given a color. Ollie had to make leaves orange, and Jada had to make leaves gold.
- 3 “Good luck!” said Jada, and waved to her friend. “Good luck!” said Ollie as he waved back.
- 4 Jada started turning leaves into different colors right away. Swinging her little wand, she covered the leaves in golden shades. She turned green leaves gold overnight!

# Q1 Reading Expectation

- 5 When Ollie went to see Jada the next day, he looked at the trees.
- 6 “Wow!” Ollie said. “I like how pretty the gold leaves look. You did a lot of work in one day.”
- 7 “Thank you,” said Jada, and she smiled. “How about you? Did you turn a lot of leaves orange?”
- 8 “Not really,” Ollie said, looking frustrated. “My wand is not working well. Sometimes it works, but sometimes it does not work. I am having trouble.”
- 9 “Oh, no!” said Jada. She was concerned about her friend, because she knew he wanted to do a good job.
- 10 Jada still had work to do. She had more leaves to turn gold. But she wanted to help her friend, so she made a choice.
- 11 “I will help you,” she said.

# Q4 Reading Expectation

## Passage 2: The Empty Pot

Adapted from Reading A-Z

- 1 Since the Emperor did not have any children, he decided to have a contest to determine the next emperor. He called all the children together to collect a special seed that should be planted at home. After two months, the children would present what they had grown with their best efforts.
- 2 One boy, Jun, was looking forward to the challenge. He loved to work in the garden, and he was known to grow many wonderful plants.
- 3 Jun thanked the Emperor for his seed and went straight home to plant it. He put it in a nice pot with rich dirt. He watered the seed, placed it in the sunshine, and waited. He tended to the plant every day. Nothing happened. He put the seed in a bigger pot and tended it as he did all of his other plants. Still it did not grow. It was empty.
- 4 Two months later the day arrived for the children to present the Emperor with their work. Jun looked at his empty pot and felt sad. He told his parents, "Since I failed, I don't think I should go."

# Q4 Reading Expectation

- 5 “Nonsense,” said his mom. “You worked very hard.”
- 6 His dad agreed, “As long as you did your best, then you did not fail to do what the Emperor asked. When you see the Emperor, be honest with him about the plant.”
- 7 As Jun walked slowly with his empty pot, he saw other children with beautiful flowers. He had cold feet about showing the Emperor his pot. The Emperor looked over the crowd of children with their plants. He saw Jun and his empty pot and asked, “Why did you bring an empty pot?”
- 8 Jun explained, “I took the seed you planted but it did not grow. This is the best I could do.”
- 9 The emperor smiled and said, “I do not know where everyone else got their seeds. I cooked the seeds I gave you so they would not grow. Your honesty and hard work will be rewarded.” So the emperor chose Jun to be the next emperor.

# AR Quizzes

Students are expected to take at least **1 AR quiz** each week and pass with an **80% or higher**.

Please continue to encourage your child to work towards reaching his or her AR goal each quarter. **AR tests cannot be taken at home.**

# Science & Social Studies

- Science: Inspire Science program, science interactive notebooks, interactive Smart Board lessons and experiments
- Social Studies: Social Studies Alive
- Both: group activities, class discussions, and reflections

# Bay Lake Time

(Math and Reading Intervention)

- Time used to provide additional help for students in small groups
- Enrichment activities are provided for students to receive additional practice of skills and opportunities to be challenged
- Students may switch classrooms during reading intervention.

# Homework

- Homework is given Monday-Thursday for Reading and Math
- Homework should be completed each night and returned the next day.
- The purpose of homework is to give additional practice of skills. Students will read and answer comprehension questions (located in the Take Home Binder). Students will use workbook pages focusing math skills.

Students can also access **Exact Path** and **Success Maker** voluntarily at home. Use the apps page in the Take Home Binder for directions. Your student should know their login information. If not, contact me and I will get it to you as soon as possible.

### What are We Learning

**Reading:** In reading, we are continuing our informational unit. We will identify central idea and key details of a text as well as summarize text to increase comprehension.

**Writing:** We are learning about the process of Writer's Workshop. Through this process, teachers are modeling the process of writing, followed by students practicing what they've learned. We are also working to build stamina in writing.

**Math:** We are learning how to add within 100. We are also learning to round to the nearest 10 with numbers 0 to 100.

**Science:** Students are continuing their unit on matter. They are learning about properties of matter and how they can be observed with their senses.

**Social Studies:** Students are learning about different communities.

Newsletter  
emailed  
every Friday.

However,  
please check  
your email  
daily as more  
information  
may be sent.

- Car Riders
- Bus & Day Care Riders
- Front and Back Walkers
- Extended Day (YMCA)
- If you need to change how your child goes home, please contact me in the morning (by email or planner) to ensure that your child is dismissed correctly. If you have a last-minute change, please call the front office.

# 30-30 Rule

- In the case of threatening weather, the 30-30 Rule is enacted if thunder is heard within 30 seconds of lightning strike.
- Students will not be dismissed, and will remain in their classrooms until 30 minutes have passed from the last sound of thunder.
- You may sign your child out of school at the main office if this situation occurs. **You must have a car tag to sign your child out!**

# Rainy Day

- If we are going to our Rainy Day dismissal, there will be an all-call to parents to let you know.
- Please do not default to your Rainy Day dismissal location until there has been an all-call.
- If you did not change your child's dismissal on the Rainy Day dismissal form, your child will go home the normal way.

# Birthdays

- The school offers a special treat at the end of each month to celebrate student birthdays.
- You can purchase [Birthday Bites](#) through the cafeteria.
- **Birthday treats (i.e. cupcakes, cookies, brownies) from home are NOT allowed.**
- Birthday party invitations or holiday cards must include ALL students in the class if distributed at school.

# Front Office

- The office does not deliver late items such as lunch boxes, water bottles, homework, etc. as staff is working to support student learning and safety.
  - If your child forgets to bring lunch, they will receive school lunch.
  - If they forget homework it can be turned in the next day.
  - We have drinking fountains at school for students who do not have a water bottle.
