Reading

Wonders

- BEST Standards, FAST assessments
 - Comprehension skills
 - Phonics (spelling words)
- Reading interactive notebooks
 - AR Quizzes
 - Literacy Pro
 - Imagine Learning

*Everything is read to them in the 1st semester.
Starting in January, teachers will start to pull back
in what they read to students.

Small Group

- Students are placed into reading groups based on assessment data.
- Reading groups focus on specific skills that students need based on current standard
- Groups are fluid and flexible based on data and student performance.

The Science of Reading

What is the Science of Reading?

Instructional Shifts in OCPS

The **Science of Reading** is research from thousands of studies that tells us about how people learn to read.

Structured Literacy is an approach to reading instruction that is explicit, systematic, cumulative, sequential and multisensory.

OCPS is creating a stronger alignment with the Science of Reading through explicit instruction for both **word recognition** and **language comprehension** to help students become successful readers.

- Read different types of books
- Ask questions before, during, and after reading
- Play word games
- Discuss new words included in the text
- Ask your child's teacher for more tips

Agenda & Binders

- Communicate and celebrate accomplishments!
- Classroom and school information on events will be sent home in binder.
- Requirement for parents!
 - Please initial after you review
 - Please return the binder with your child daily.

Friday Binder Checks

- Please return your child's binder every Monday, emptied.
- The 9-Week Parent Communication Letter in the front of the binder needs to be signed each weekend so that parents are aware of their child's behavior. This is where progress reports and report card citizenship grades are determined and thus reflective of this information.
